3. DESCRIPTION OF ACADEMIC COMPONENT

Academic Component Abstract. The academic component Ukraine in European Historical and Cultural Contexts belongs to the normative academic components. A cycle of general training forms a systematic understanding of the history and culture of Ukraine in an inseparable connection with the European historical and cultural space, studies, compares and rethinks the course of political,

socio-economic and cultural processes in Ukraine in the European context. It promotes awareness of the need to establish an independent Ukraine and its entry as an equal partner into the European Union.

Prerequisites: «Ukrainian Language (for professional purposes)».

Postrequisites: «International relations and world politics».

4. Goal and tasks of the academic component (AC).

Goal AC «Ukraine in European Historical and Cultural Context» is aimed at familiarizing higher education students with the centuries-old past of Ukraine in the totality of social and cultural phenomena and events as well as in their progressive development, with the historical patterns of the complex process of formation and development of the Ukrainian state as a European country from ancient times to the present day.

Key tasks of the academic component «Ukraine in European Historical and Cultural Context» are as follows:

- to provide students with knowledge of the main directions, trends and patterns of formation and development of Ukrainian statehood, to reveal their organic unity and at the same time specificity in the context of European civilization;
- to familiarize students with the latest achievements of Ukrainian and European historical science;
- to teach students to operate freely with historical and cultural categories and concepts and to understand their genesis;
- to develop the ability to independently identify, study and analyze historical and cultural processes, events and phenomena;
- to foster in students a sense of patriotism and respect for the historical past of their nation.

8. EVALUATION POLICY

Assessment is carried out in accordance with the Regulations on the current and final assessment of knowledge of higher education applicants of the Lesya Ukrainka Volyn National University (2023) <http://surl.li/iyfaee>.

During the course, it is possible to recognize the non-formal education received by the student as an assessment on individual topics in accordance with the Regulation on the recognition of learning outcomes obtained in formal, non-formal and/or informal education at the Lesya Ukrainka Volyn National University (2024) <http://surl.li/aaukon>.

Policy on deadlines:

If a student did not attend individual classroom classes – during consultations (the schedule of which is previously agreed with the lecturer), he has the right to work through the missed classes and get the appropriate number of points that were determined for the given topic of the class.

Academic Integrity Policy:

The process of studying the educational component is carried out under the conditions of compliance by students and teachers with the Code of Academic Integrity of Lesya Ukrainka Volyn National University (2023) <http://surl.li/ufpvnp>.

Cheating during tests and exams is prohibited (including using mobile devices). Mobile devices are allowed to be used only during online testing.

Evaluation policy:

The proposed course is evaluated according to the cumulative system. The maximum score that a student can receive is 100 points, of which 60 points are for work in practical classes (no more than 5 points for work in one class), 30 points for express survey (Express survey can be in oral (colloquium) or written (with test or creative questions) forms.) (conducted in 6 and 12 practical classes, 15 points for each) and 10 points for active work during classes. The sum of the points received

can be counted as an attestation score with the consent of the applicant. In case of disagreement, his points are canceled. In this case, the attestation is carried out orally in the form of a credit.

FINAL CONTROL

Grading Scale

Credit

Scores	Linguistic Grade
90–100	Passed
82–89	
75–81	
67–74	
60–66	
1–59	Fail (needed to retake)

Assessment of knowledge of student is carried out during the current control over the results of the performance of those types of work that are provided for by the syllabus. In the case when the seeker received less than 60 points, the teacher is eliminated. It is carried out through an oral survey:

1. The origin of the Ukrainian people through the prism of European ethnogenesis.
